

Name	Birthday	Characterization	5 years
Aiden	*6.4.87	Good at doing things if interested. Capable, enthusiastic, could help in production	Capable of work
Aileen	*5.18.81	Enjoys small groups, supporting others who need help, needs ego support, short attention span, likes to connect with others	Helpful role, service, possibly to do with children, school (with support), likes to serve at Oppenheimer Park
Amber	*11.3.75	Artistic, loves to draw, paint, weave, social interaction	Workshops, therapy
Angela	*3.22.86	If she is interested she can be very capable. Enjoys and needs movement, walks. Has capacity to think and be independent.	Man work in workshops
Anthony	*4.2.86	Intelligent, can express himself in words, social, loves to learn. Endurance seems to be waning. Limited fine motor skills, vision	Therapy, book club, reading/writing
Brian	* 3.8.6	Humour, dancing, painting, games. Co-operative, held by simple rhythm, works well in candle workshop, faithfulness.	Maintain. Offer him fun, playful, artistic activities. Be careful with changes.
Caity	*1.30.94	Capable, likes outreach, good reader, home skills good place for her, comes more regularly than before. Attention-seeking, dependent on coworkers, likes arts, nice smile.	Train to be more independent, reliable
Cayleen	*8.23.96	Nice presence, needs more trained helpers.	Therapy
Doug	*10.6.53	Nice presence, unique ability to massage!	Leaving in February
Eleanor	*5.30.98	Connection to speech, painting, dancing. Playful, winning smile. Dependent on 1:1 support possibly through school experience. Has not learned work ethic. Capable.	Needs something like Youth Guidance to transition to work

Fred	*8.10.62	Charmer, flirt, artist. Resilient, good work ethic, excellent memory, loved	Survival
Hanieh	*11.2.94	Capable, learning, courageous, helping, organizing, perfectionist, socially aware	Speech therapy, workshops, service
Jeff	*1.25.74	Social/antisocial. Capable, helpful, faithful, grateful, sensitive. Changes affect deeply, sense of loss when things change. Loves to serve others, loves stories.	Meaningful work with support. Outreach. 1:1 Reading, therapy
Joe Barker	*12.8.69	Inward, warm humour, sometimes in own world, opens up at times. Seems to get sensory overload in large group setting, likes quiet setting. Likes to approach people on his own terms.	Quiet, therapeutic space, coffee shop
Linda Lawrence	*8.7.53	Artistic, insightful, poetic, observant, sensitive, sudden mood changes, likes to connect, worries about future	Retirement, therapeutic environment
Marietta Driehuyzen	*1.2.65	Sensitive, musical, radiant when happy, playful with words, trickster, relates to spiritual, cultural content; loves group activity; participates from periphery	Quiet space, therapy, cultural activities
Marijke Jonker	*4.26.84	Capable, humorous, inquisitive when engaged, able to learn, enthusiastic, good memory, longs to be included but can become over stimulated	Therapy (responds well). Workshops. Good to alternate between group/single. Reading/writing
Mary McLaughlin	*12.13.87	Extravert, capable, emotional, learns well with time, takes pride in her work. Loves acting, reading, entertaining, being centre of attention. Needs support, not much logic, socially vulnerable, boundary issues.	Workshops, having a job (with support). Therapy. Idea to read stories to children.
Melina Yamashita	*5.6.85	Sweet, capable, positive, vulnerable (has seemed to draw bullying or aggressive behaviour to herself because of this), needs protection.	Workshop: foster music, group activities, therapy, protected setting.

Michael Pallant	*4.20.66	Seems to have an extended -"cosmic" - consciousness, like a radio antenna - seems more attuned to hearing than vision. Responds to being spoken to in a serious manner, but also to nonsense, rhymes, songs etc. Musical, sense mood of the other. Needs a lot of support but all experience him like a gift when he can be here.	1:1, enjoys some group activities, integrate into group setting when possible.
Norbie Puls	*7.19.68	Vulnerable, phlegmatic, helpful, willing. Increased anxiety. Has lost skills. Likes respite with John, likes relationship with workmaster. Needs to know time/date.	Integration into a homeshare.
Norma Ramsay	*8.19.50	Loyal, "incredible" memory. Is becoming insecure, time connection decreasing. Acts out in aggression. This upsets her but she seems unable to stop. Longs for social interaction. Interested in cars, dogs, all transportation methods.	Therapy. Dropping by for a visit once in a while.
Peter Juri	*10.24.59	Amazing worker, dedicated. Thoughtful, helpful, gets things done. Can read a bit. Falls asleep in group activities.	More social, work, community integration activities
Raymond Kilian	*9.21.76	Humour, socially interactive and aware, trickster. Fragile health, strong startle reflex, good time sense, loves celebrations	Social setting, gentle workshop, therapy
Sam McTaggart	*7.2.85	Sensitive, kind, gentle, can easily be over-stimulated, cyclical moods. Enjoys relationship to current housemate Stephen. Home life important. Picks up moods/intentions.	Better indoors, smaller groups. Music therapy, therapy assessment. College meeting recommended, new DDMHS assessment. Mood around him very important.

Scott Harris	*8.20. 1980	Seems to know everything that is going on: describes himself as a spy. Can be manipulative. Weaves, paints beautifully. Can be meticulous. Contributes in college. Social, interested in others, likes to interact. Ladies man: likes young female coworkers.	Home skills. Low mobility: support him to be mobile as long as he can. Likes a variety of activities. Fitness.
Shayan Rastgoei	*3.21.85	Not attending at the moment	Maintain health
Shiva Ammanejad	*10.15.94	Trickster, strong-willed, smart, capable, learns quickly, imitates. OCD, focused, loves to draw/paint. Understands and follows directions.	Educate ourselves not to react too strongly when she throws a temper. Therapy to enhance breathing. Develop humour. All therapies: Music, speech, eurythmy, painting, physical activity. Possible move away from parents?
Stephen Chobaniuk	*2.6.79	Music, phenomenal memory, poetic, likes to work. Very sensitive to mood around him. Strong, fit, likes to challenge himself. Religious. Accepts his role here. Idea to make a book of his poems, drawings.	Find a place for him to share his gifts, shine. Find growth opportunities.
Stephen Hudson	*7.25.73	Capable, intelligent, good at reading, chess, playing ball. Fixations, thresholds challenging. Good natured. Religious.	Working, group activities, helping others. Needs challenges.
Susan Schmidt	*8.22.66	Capable, stubborn, humorous. Loves to work. Can shine when feeling happy. More confused lately, seems vacant.	Work as long as possible. Care needs increasing.
Thomas Turnbull	*4.3.96	Very capable, keenly interested, gets everything. Positive, enjoys program, talking more, blooming. Learns quickly, takes pride in what he makes. Fine motor skills limited, energy limited. Could do more reading/writing.	More peers. Social interaction with those with similar interests. Apprenticeship. Speech therapy.

Weston Michaud	*6.7.84	Humour, sense of order, strong. Brings a good mood.	Workshops. Social settings. Loves to be on stage, perform.
William Skuse	*4.18.66	Has strong sense of ethics, sense of decorum, a true king. Likes to work, sensitive. Aging, increased sensitivity to cold, reduced stamina. Has become more socially adaptable. Reaches out when upset. Memory ability less than previously.	Workshops (inside).
