

Communication

POLICY

Cascadia will ensure all communication with funders, stakeholders and community members is timely, effective, open and representative of current technology systems. We will connect, engage and maintain an ongoing communication method that best meets stakeholder and service delivery needs.

PROCEDURE

Current communication structures in use include:

- Phone
- Email
- Personal (direct) contact
- Paper copy handouts - (*Paper handouts not delivered within a weekend will be mailed on the Friday of that week.*)

Standards associated with this policy: 1) 1.A.4 and 2) 1.D.1
